JOEL MORRISON

Computer Science Student (DCU) | Face-to-Face Fundraising | Live Events | Customer Service

Dublin, Ireland joelmorrison121@gmail.com | linkedin.com/in/joel-morrison-16a304389

PROFILE

Second-year DCU Computer Science student who turns cold conversations into long-term commitments. Currently recruiting monthly donors for Concern Worldwide (207% of sign-up target in the first month) and stewarding events at Croke Park, Ireland's largest stadium (82,300 capacity). Experienced across fundraising, live events, fulfilment and retail, with 100% attendance in every role. Fully flexible availability.

WORK EXPERIENCE

On-Street Fundraiser | Concern Worldwide, Dublin Sep 2026 – Present

- Recruit monthly regular-giving donors from cold, face-to-face approaches on busy Dublin streets: 29 sign-ups in the first 4 weeks against a target of 14 (207%)
- Open 10+ conversations per shift, explaining Concern's overseas work clearly and handling objections and rejection with good humour across 8-hour shifts in all weather
- Work to daily and weekly targets in teams of 2–5, recording donor details accurately under GDPR

Matchday and Event Steward | Croke Park Stadium, Dublin May 2026 – Present

- Steward 25+ events, including the All-Ireland Finals, Katie Taylor's farewell fight and two concerts, checking tickets and directing supporters to the right stands and seats
- Handle supporter queries and incidents as first point of contact, resolving routine issues on the spot and escalating safety concerns per stadium protocol
- Coordinate by radio with security and control teams to keep aisles and exits clear during peak crowd flow

Cashier Operative | HelloFresh, Dublin Sep 2025 – Mar 2026

- Processed transactions at 99% accuracy in a fast-paced fulfilment environment against tight daily targets
- Trained 2 new starters on transaction procedures and accuracy standards
- Worked close to 20 hours a week with zero absences alongside a full-time Computer Science degree

Retail Assistant (Summer Role) | Premier, Telford, UK Jun 2025 – Sep 2025

- Served a steady flow of customers on POS tills, balancing cash with zero discrepancies under strict procedures
- Unpacked and replenished stock from 2+ deliveries a week, keeping the store to brand standard

Sales Assistant (Summer Role) | Claire's, Telford, UK May 2024 – Sep 2024

- Advised customers on jewellery and accessories during peak summer trading, upselling add-ons and turning browsers into impulse purchases

EDUCATION

BSc Computer Science (Year 2) | Dublin City University Sep 2025 – Expected 2029

- Learnt front-end technologies including HTML5, CSS3 and JavaScript to build responsive, user-centric web applications
- Council Member, DCU Photography Society: event planning, creative direction and society operations
- Member, DCU Redbrick (Networking & Cybersecurity Society): attended workshops on Linux and web hosting
- Hackathon: built Kickstart, a project-brief-to-workflow tool, with a team at the Manus AI Build Challenge, Dublin

Leaving Certificate | St. Mel's College, Longford Sep 2019 – Jun 2025
